Subject: Extension of Payment Term for Concession Charges, Office and State Property Rents, and Service Charges according to the Assistance Measures for Concessionaires and Airlines Affected by the Coronavirus Disease 2019 (COVID-19) Outbreak at Airports under Supervision of Airports of Thailand Public Company Limited

To: President,

The Stock Exchange of Thailand

Reference: Letters of Airports of Thailand Public Company Limited No. 2834/2020, dated 19 February 2020 and No. 6382/2020, dated 23 April 2020

Reference is made to the Letters of Airports of Thailand Public Company Limited (AOT), informing the assistance measures for concessionaires and airlines affected by the Coronavirus Disease 2019 (COVID-19) outbreak at all six airports under AOT's supervision. One of the measures include an extension of a 6-month credit term of payment, if requested by the concessionaires and airlines, for concession charges for each of the installments during February - December 2020, and office and state property rents, terminal and building service charges, landing and parking charges and aircraft service charges for each of the installments during April - December 2020.

The AOT Board of Directors, in the Meeting No. 8/2020 held on Wednesday, 29 July 2020 at AOT Meeting Room 1, 6<sup>th</sup> Floor, AOT Head Office Building, viewed that the concessionaires and airlines are still being affected by the severe and ongoing COVID-19 outbreak in many countries as well as governmental travel restrictions. The Board of Directors then resolved to extend a 12-month credit term of payment, instead of a 6-month credit term of payment, for concession charges, only for monthly installments during February - July 2020, and office and state property rents, terminal and building service charges, landing and parking charges, and aircraft service charges, only for monthly installments during April - July 2020, for concessionaires and airlines affected by the COVID-19 outbreak at all six airports under AOT's supervision.

However, such assistance measure shall be applicable to the concessionaires and airlines who already submitted a letter of request for payment term extension to AOT. For those who submit it after the date of the above-mentioned AOT Board of Directors' resolution (29 July 2020), they shall be eligible for such assistance measure, without a retroactive effect, from the installment due whereby the concessionaires or airlines submit such letter to AOT.

Please be informed accordingly.
